Mr. William Schnizer, City Controller  
Room 930, City County Building  
One Main Street  
Fort Wayne, Indiana 46802

Dear Mr. Schnizer:

Attached please find Aviation Department request for appropriation ordinance transferring \$559,709.00 from the Aviation General Fund to the Ground and Surface Improvements account of our 1976 budget.

It is rather urgent that this ordinance reach Council as soon as possible as we have no authorization to pay the contractor (Brooks Construction) until after same is finally approved. The reason we could not do this at an earlier date is that Federal funds, through the ADAP Program, were only made available by the Congress. In fact, our Grant and Authorization to proceed was not finalized until the last week of September. For your information, the cost of this work will not deplete the Aviation Fund as we now have grants covering the entire amount of the work and the engineering as follows:

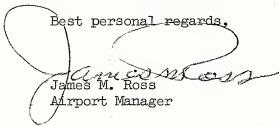

Federal Aviation Agency	\$500,809.00
State of Indiana	26,450.00
Air National Guard Bureau	26,450.00

we do not believe, since no local funds are required to accomplish this particular project, that there should be any question about passage of the ordinance.

ROOM 209  
BAER FIELD TERMINAL  
FORT WAYNE, INDIANA 46809

I plan to be out of town the last two weeks of October which is probably the time that will be selected by the Council for public hearing, but would prefer to not have such hearing delayed for that reason. If I am out of town, Mr. George Gust or Mr. Edwin Ehinger or both, will appear in my stead.

Best personal regards,

James M. Ross  
Airport Manager
